    2. Last year was not reflective of normal fee structure due to adjusted schedule and fees.
  - d) CoVid-19 Impact
    1. Waiver with MSA automatically agreed upon when registering online. In person signups may have missed initial wave and we will catch up to those needed to sign a paper waiver.
    2. President still has to sign a waiver on behalf of the MSA with the City of Midland.
    3. State/City has a 1,000 person limit on outdoor gatherings now, so strict policing of inside fence area does not currently apply.
    4. We are looking to dedicate immediate area around dugouts to registered and waived players/ non-players, to allow for social distancing and abide with CoVid guidelines.
    5. We will be following up with members for what that will look like.
    6. Still going with no high five / good game lines after games.
    7. Using one ball (12” for all coed games).
    8. Going with one set of game balls this year, to be used jointly between teams.
    9. Hit it get it applies and help out when we can. We lost the majority of all of our used men’s softballs towards completion of summer season and through fall ball.
    10. Rules subject to change with State and City changes to CoVid restrictions/guidelines.
